1. We Provide Personalized, On-Demand Support. Every Tutor.com session is personalized to meet the needs of your student, from remedial to advanced.

2. We Work Towards Your Standards, With Your Methods. Our tutors use examples from the students' class notes, assignments or textbooks to insure our methods meet your expectations.

3. We Help With More than Homework. Tutors are able to help students with specific homework problems, but also with test prep, concept reviews, special projects and more.

4. We're There When You Can't Be. With over 3,100 tutors onboard, Tutor.com can help your students late into the night and even on weekends.

5. We Are Experts in Over 40 Subject Areas. Students can get help with math, science, language arts, Spanish, social studies, AP classes, Microsoft Office and more.

6. We Impact Student Achievement. Multiple independent research studies by educational experts have found that using Tutor.com raises students grades and scores.

7. We Build Student Confidence. On average, 97% of student survey respondents report that Tutor.com helps them feel more confident and complete their assignments.

8. We Prepare Students for Tomorrow's Lessons. You will spend less class time answering questions about yesterday's assignment so that you can advance to today's lesson.

9. We Are Easy to Use and Accessible to All. Students just need a computer, smartphone or tablet with an internet connection, along with a library card to get connected today.

10. Most Importantly, We Are A Safe Online Environment. All of our tutors must pass a rigorous application process including an extensive background check, repeated annually. No personal information is exchanged between student and tutor. All work is completed in our recorded classroom and monitored by Management.
